Name of Degree/Diploma or Certificate	**Surgical Technologist - Diploma**		Revised 7/2012
Coordinator Contact Information	Name	Kevin R. Craycraft	
	Office	Leestown A-138	
	Office Phone	859-246-6615	
	Email	Kevinr.craycraft@kctcs.edu	
Recommended Sequencing		Courses	Date Complete
	Prior to Start	• Be accepted to BCTC • Submit Transcripts from all other Colleges (get two copies, one for Selective admission, one for general admissions) • Submit ACT and/or Complete COMPASS Exam • ACT scores and COMPASS Scores will impact the student's ability to enroll in the Math courses, English courses and Anatomy & Physiology. Each of these courses has mandatory placement requirements.	
	First Year, Fall	• Computer Literacy (CIS 100 or CIT 105) (0-3 hours) • BIO 135 Basic Anatomy & Physiology or BIO 130 Aspects of Human Biology or BIO 137 Human Anatomy & Physiology I * BIO 130 Aspects of Human Biology is acceptable by KCTCS curriculum, however BCTC Faculty recommends BIO 135 Basic Anatomy & Physiology • ENG 101 Writing I or Technical Communication *Prior to enrolling in these classes, all Developmental course must be complete. • WPP 200 Workplace Principles • Elective such as GE 101, MAI 200, EFM 100, BA 120 plus others (# hours depends on options taken in the curriculum)	
	First Year, Spring	• BIO 139 Human A & P II (if using the 137/139 pathway) • AHS 115 or CLA 131 or OST 103 Medical Terminology • BIO 118 Microbes and Society or BIO 225 Medical Microbiology (can not be taken until BIO 137/139 are complete) or BIO 227 (BIO 226 & BIO 209) Principles of Micro. • Elective (# hours depends on options taken in the curriculum)	
	First Year, Summer	Depends on varies factors.	
	Second Year, Fall	**** Must be selected into the program to enroll in the SUR courses**	

		• SUR 100 Surgical Technology Fundamentals/Theory • SUR 101 Surgical Technology Fundamentals Lab • SUR 103 (Recommended Elective) Surgical Technology Didactic Practicum • SUR 125 Surgical Technology Skills Practicum I • SUR 130 Principles of Surgical Pharmacology	
	Second Year, Spring	• SUR 200 Surgical Technology Advanced Theory • SUR 201 Surgical Technology Skills Practicum II	
	Second Year, Summer	• SUR 275 Surgical Technology Advanced Clinical Practicum	
Notes & Additional Information*	* Surgical Technology requires ACT and /or COMPASS scores above the KCTCS developmental placement level or evidence or completion of prescribed developmental course. * Pre-requisites required minimums on the ACT or COMPASS vary. * Selective Admission Program: NEW CRITERIA FOR FALL 12, HENCE YOU WILL WANT TO REVIEW THE CRITERIA. The new system will be based on Anatomy & Physiology, Computer Lit, Microbiology, Medical terminology grades. The grades will be granted certain point values and then the Cumulative GPA will be added to that score and the selection will be based on the total scores. *Selective admission worksheet is available on the program website. * All pre-requisites must be completed prior to starting or admission to the Surgical Technology Program. *The selective admission deadline is June 1st of each year and the program will start in the fall each year. * The program includes a Fall , Spring and a four week Summer semester. *The program is a full-time 5 days a week program. For the first 10 weeks of the program, the program focus is on the classroom/lab skill. During the last 5 weeks of the Fall semester we begin Clinicals and the schedule changes. M, F Lecture , and TWR Clinical, that schedule continues in the Spring semester. The summer semester is 5 days week clinicals and 1 week of Certification Review. * Computer Literacy can be completed via Bypass Exam * The above sequencing for the First year is not required in that order, however the second year is required as stated.
