Bluegrass
Community & Technical College

Welcome to Opportunity College!

Opportunity College is collaboration between area high schools and Bluegrass Community and Technical College to provide juniors and seniors with the opportunity to earn college credit while still in high school.

Dual Enrollment

Juniors and seniors may be dually enrolled in both the high school and at Bluegrass Community and Technical College (BCTC) at the same time. High school students pay only ½ of the current BCTC tuition rate for these courses! Students are responsible for all costs related to tuition, books, fees and transportation. Students must meet required ACT and/or COMPASS scores, as well as pre-requisites, in order to enroll in these courses. Most course schedules follow the college's academic calendar and may require students to attend class on days when their high school is not in session.

To apply for dual enrollment courses, please complete the following:

- College application
- Official High School transcripts
- Official ACT, SAT or COMPASS results [The COMPASS may be scheduled by contacting any extended campus or the Assessment Center at (859) 246-6220]
- Letter of recommendation from teacher or guidance counselor

Below are some suggested courses in which students may enroll. (This is not an all-inclusive list). Each bold heading represents a general education area in which courses are required for a degree. High school students may enroll in 2 courses per semester unless otherwise approved by the Academic Dean.

- **English**
  - ENG 101 (Writing I)
  - ENG 102 (Writing II)
- **Math**
  - MA 109 (College Algebra)
