

NATURAL SCIENCE-LAB PAIRINGS FOR NONSCIENCE MAJORS

AST 191 & AST 195

BIO 112 & BIO 113

BIO 120 & BIO 121

CHE 120 & CHE 125

GLY 101 & GLY 111

The courses listed above are good options for non-science majors who wish to complete the Natural Science and lab requirement for the Associate in Arts program. Other majors, such as engineering, nursing and others, require specific science courses. Consult with an academic advisor or check the [UK Pathways](#).
