## Memo

To: Insurance Coordinators

From: Department for Employee Insurance

**Member Services Branch Manager** 

Date: May 24, 2006

Re: Smoking Cessation Program

The Personnel Cabinet, Department for Employee Insurance, is pleased to announce that the Kentucky Employees Health Plan now offers a Smoking Cessation Program as part of your health insurance benefit. This Program is available to any employee and/or dependent over the age of 18 that is enrolled in the Kentucky Employees Health Plan. Employees who waive health insurance are not eligible to participate as the products are being covered through Express Scripts and the participant must be enrolled.

Please forward this email and the attached brochure and voucher to all employees. Employees who utilize the Kentucky Tobacco Quit Line do not need to complete a voucher for participation in the program. The counselor they speak with at the Quit Line will complete the necessary voucher and fax that to DEI for processing. The brochure will outline the Program and the benefits. However, if employees should have additional questions, please feel free to contact our Member Services Branch at 888-581-8834 or 564-6534.

If you have any other questions, please contact the Member Services Branch at 888-581-8834 or 502-564-6534.
