

Kentucky Virtual Library (KYVL) provides a collection of 40+ databases providing access to 5000+ full text journals to all citizens of the Commonwealth of Kentucky, free of charge. It was created by the state general assembly in 1997 as a part of the Kentucky Virtual University (KYVU).

## 1) From the BCTC LRC homepage 2) Kentucky Virtual www.bluegrass.kctcs.edu/lrc, select Find an Article under Library (KYVL) is located the *Quick Links* section at the center of the page. under the General category on the left side of the page. You can also go directly to their website at www.kyvl.org KY **VIRTUAL** LIBRARY 3) The most common reason BCTC students use KYVL is to get to the EBSCO databases (like The Kentucky Virtual Library -- Kentucky's information source. Academic Search Premier Find it here -or CINAHL) from home Find Books, Articles, and More without going through the Search Databases and Kentucky Library Satalogs... proxy server. Here's how: **Kentucky Stats** Look for Kentucky Statistics... Choose Find Books, Articles, and More at Virtual Reference Desk the top left of the page Browse selected websites Enter the user name Kentuckiana Digital Library and password. Search historical documents, photos, letters and more... (ask for these in the library) 4) To use the EBSCO Connect search interface we use on directly to: campus: Search-Choose the green link at the bottom of the page to Connect You are about to leave KYVL! **Directly to EBSCO** Choose to Continue to Your search history will be lost and your session will end if you leave. **EBSCO** To search the catalogs and databases from within the KYVL Gateway, you Click here to continue to EBSCO.

KYVL also offers many other databases for a wide variety of users, from young children to seniors.
