Semester I Course Number DFT 102 DFT 112 MT 115 or MT125 or Higher	Course Title Drafting Fundamentals Engineering Graphics Mathematics Electives	Credits 4.0 4.0 3.0
Semester II Course Number DFT 122 DFT 130 DFT 240	Course Title Introduction to Computer Aided Drafting Descriptive Geometry Advanced Dimensioning and Measurement Electives	Credits 4.0 4.0 4.0
Semester III Course Number DFT 152 DFT 252 DFT 212 ADFT 130	Course Title Introduction to Computer Aided Drafting Parametric Modeling Industrial Drafting Processes Introduction to Architecture	Credits 4.0 4.0 4.0 4.0
Semester IV Course Number DFT 222 DFT 292 DFT 293	Course Title Mechanical Design Introduction to Computer Aided Drafting Introduction to Computer Aided Drafting Electives	Credits 4.0 4.0 4.0
Science Social Ineraction English 101 Heritage / Humanities Foreign Language Oral Communications Computer Literacy	General Education Electives	3.0 3.0 3.0 3.0 3.0
