Nursing - Lexington

Fall 2011 (Continued)

The coordinator has release time and teaches five contact hours per week

Course with prefix NR, NRN, NSG, class section beginning with J, and BLC as delivering campus

Unduplicated Enrollment - Count of distinct emplids in all courses beginning with prefix NR, NRN, NSG, class section beginning with J

Duplicated Enrollment - count of all emplids in all courses beginning with prefix NR, NRN, NSG, class section beginning with J. If a student is enrolled in more than one class, they are counted multiple times

"With Cl" - Course format is lecture and clinical

Duplicated enrollment from class sections containing "L", "P," and C are excluded from all calculations.

With multiple instructors for a course, duplicate listings of students have been removed. Each student is used only once for specific course calculations and enrollment

Courses containing Clinical, Lab, and Lecture are designated as "Cl/La/Le"

Open Labs for students - 600 contact hours

The Lexington Nursing Program has 9 full-time faculty that each teach 18 student contact hours per week. All additional contact hours are taught by adjunct faculty

Contact Hours Per Week = Contact Hours/15

FTE-F calculated by Total Contact Hours per week/18

Total Enrolled Credit Hours = Course Enrollment x Course Credit Hours

Credit Hours Generated per FTE-F = Total Credit Hours divided by FTE-F

Ratio of students taught per FTE-F = Credit Hours Generated/15
