## **BCTC General Education Assessment Implementation Plan**

A recommended process for assessment using ANT 130 from the above plan

Spring, 2018 - Plan assessment activity

Fall 2018 - Conduct assessment activity

Spring 2019 - Review/analyze results of assessment; develop strategy for improvement

Fall 2019 - Implement strategy for improvement and re-assess; develop final report

### **Notes**

---

<sup>i</sup> The responsibility for HUM 121 was moved from the Anthropology/Geography/Sociology area to the Humanities area in Fall 2018. Because of this change, HUM 121 was moved from Year 1 of the assessment cycle to Year 2 to allow faculty responsible for conducting assessment ample time to plan and assess.
