HIGHER EDUCATION BEGINS HERE

A.S.V.I.T.

(Area Specific Violent Incident Training)

The A.S.V.I.T. was developed for BCTC Security/Safety Officers to give you training specifically in your work area. Your assigned campus Officer will come to your department/area, and discuss action options based on the “Run, Hide, Fight” principles set forth by the Department of Homeland Security. This is a great training opportunity specifically tailored for your work area and typically involves a small group setting. The Security and Safety Department has conducted several sessions of the ASVIT at the six BCTC campus locations, and we are asking YOU to step up on behalf of your department and request this training. Contact your campus Security/Safety Officer at the numbers listed below to schedule training or feel free to contact me anytime for more information.
