I. Placement Testing

- A. All credential-seeking students with an ACT score below 18 in English, 19 in Math or 20 in Reading must take the appropriate COMPASS test. The first COMPASS test is to be administered free of charge. Charges may be levied for additional testing.
- B. Students without ACT scores, or whose ACT scores are older than 3 years from the start of the semester, or who have not passed a college level course in the discipline must take the corresponding COMPASS test for the area in which they wish to take a college level class. COMPASS scores will only be valid for Mandatory Placement for 3 years.
- C. High school students who wish to enroll at BCTC while still in high school, will take the appropriate COMPASS test if they do not have an ACT score of 18 in English, 19 in Math or 20 in Reading.
- D. Each area will determine the COMPASS cut-off scores for courses in that area. These will be evaluated yearly.
- E. Comparable ASSET scores may be substituted for COMPASS scores throughout the Mandatory Placement plan. A table of ASSET scores is given in Appendix B.
- F. Students who transfer into BCTC with KYOTE scores may use these scores as a substitution for COMPASS scores within section II (Math Placement) of the Mandatory Placement plan. A table of KYOTE scores is given in Appendix C.
- G. Non-credential seeking students are exempt from taking the COMPASS exam except to meet individual course pre-requisites such as those for entry-level English and mathematics courses.
- H. Students who are required to take the COMPASS assessment for Reading or English, and who do not speak English as their first language, will take the COMPASS ESL assessment which consists of three parts: Reading, Grammar/usage, and Listening.

II. Math Placement

- A. Students who have not earned credit for a college level math course must take the pre-algebra and/or algebra COMPASS exams if they have:
1. No ACT or SAT scores available, or
 2. An ACT math subject score less than 19, or
 3. An SAT quantitative sub-score less than 460, or
 4. An ACT, SAT, COMPASS or ASSET score older than 3 years from the first day of class of the semester for which the student is registering, or
 5. Not received credit for the pre-requisite course.
- B. Students will be placed in math classes based on the following COMPASS scores or ACT scores:

ACT	or	SAT	or	COMPASS Exam	Math Placement
22 or Higher		510 or Higher		Algebra 50 – 99	MAT150 or any course listed below
19 – 21		460 – 509		Algebra 36 – 49	MA 111, MA 108R / MAT 150 Combo course or any course listed below
				Algebra 31 – 35	MA108R or MAT126 ² (formerly MT125) or any course listed below
				Algebra 25 – 35	<i>Technical Math Courses below:</i> MAT105 ^{1,2} (formerly MT105), MAT110 ^{1,2} (formerly MT110), MAT116 ^{1,2} (formerly MT115), or any course listed below
				Algebra 16 – 30 and Pre-Algebra 42 – 99 (provided both scores exist – see part C below)	MAT065 (formerly MT065) or any course listed below
				Pre-Algebra 24 – 41	MAT055 (formerly MT055)
				Pre-Algebra 1 – 23	Refer to Adult Education (see section VI)

¹ These technical math courses are NOT required before taking MA108R and do NOT satisfy the prerequisite for MAT150 or MA111.

² Students who do not have an ACT Math subject score of 19 or higher, the equivalent SAT or COMPASS Algebra score (as indicated above) or who have not successfully completed the pre-requisite course will require supplemental instruction. The supplemental instruction will be determined by the Mathematics and Statistics Division at Bluegrass Community and Technical College.

- C. Students who place into MAT 065 by their COMPASS Algebra score but into MAT 055 by their COMPASS Pre-Algebra score must register for MAT 055.

- D. Students who have ACT scores or COMPASS scores found in the table below are eligible to enroll in accelerated paired courses called Combo courses. Placement into these Combo courses is not mandatory; the student always has the option to follow the placement into the regular transitional courses. Students who choose to enroll in one of the Combo courses must still continue to follow the appropriate sequence of math courses.

COMPASS Exam		Math Placement
Algebra	36 – 99	MA108R / MAT150 or MA108R / MA111 Combo course
Algebra and Pre-Algebra (provided both scores exist – see part C above)	23 – 30 60 – 99	MAT065 / MA108R Combo course
Pre-Algebra	34 – 40	MAT055 / MAT065 Combo course

III. English Placement

- A. Students without ACT/SAT scores or with an ACT English subject score of less than 18 or SAT Writing score of less than 430 with no COMPASS score on file will be given the COMPASS English assessment.
- B. Students will be placed in English classes based on the following COMPASS scores:

ACT	or	SAT	or	COMPASS Exam	English Placement
18 or Higher		Writing: 430 or Higher or Critical Reading: 450 or Higher		74 – 100	ENG 101
				39 – 73	ENC 091
				26 – 38	ENC 090
				1 – 25	Refer to Adult Education (see section VI)

- C. Advisors will place students in content classes based on their English placement (refer to course list in Appendix A).

IV. Reading Placement

- A. Students without ACT/SAT scores or with an ACT Reading subject score of less than 20 or SAT Critical Reading less than 470 with no COMPASS score on file will be given the COMPASS Reading assessment.

- B. Students with 12 or more credit hours at the 100 level or above in general education courses with a 2.0 GPA are exempt from reading placement requirements. However, all students must meet individual course pre-requisites.
- C. Students will be placed in reading classes based on the following COMPASS scores:

ACT	or	SAT	or	COMPASS Exam	Reading Placement
20 or Higher		470 or Higher		85 – 100	No reading placement
				83 – 84	CMS 185 ¹
				Students who pass RDG 030 or CMS 185 have completed their Reading placement requirement.	
				70 – 82	RDG 030
				49 – 69	RDG 020
				1 – 48	Refer to Adult Education (see section VI)

¹ Enrollment in entry-level courses require concurrent enrollment in CMS 185.

- C. Advisors will place students in content classes based on their reading placement (refer to course list in Appendix A).

V. English as a Second Language (ESL) Placement

A. Grammar & Usage

1. ESL students without ACT/SAT scores or with an ACT English subject score of less than 18 or SAT Writing Score of less than 430 with no COMPASS score on file will be given the COMPASS/ESL Grammar/Usage assessment.
2. Students will be placed in ESL writing classes based on the following COMPASS scores:

ACT	or	SAT	or	COMPASS/ESL Exam	ESL Placement
18 or Higher		430 or Higher		94 – 99	ENG 101
				84 – 93	ESL 092
				63 – 83	ESL 091
				42 – 62	ESL 090
				1 – 41	Refer to Adult Education ESL (see section VI)

B. Reading

1. ESL students without ACT/SAT scores or with an ACT Reading subject score of less than 20 or an SAT Critical Reading score of less than 470 with no COMPASS score on file, or who have not successfully completed a college level course will be given the COMPASS/ESL Reading assessment.
2. Students will be placed in ESL reading classes based on the following COMPASS scores:

ACT	or	SAT	or	COMPASS/ESL Exam	English Placement
20 or Higher		470 or Higher		92 – 100	No Reading Placement
				86 – 91	ESL 030
				80 – 85	ESL 020
				65 – 79	ESL 010
				1 – 64	Refer to Adult Education ESL (see section VI)

C. Listening & Speaking

1. ESL students who are required to take the ESL COMPASS Grammar/Usage assessment or Reading assessment will also be required to take the ESL COMPASS Listening & Speaking assessment.
2. Students will be placed in ESL listening & speaking classes based on the following ESL COMPASS scores:

COMPASS/ESL Exam	English Placement
94 – 100	No listening/speaking placement
87 – 93	ESL 013
82 – 86	ESL 012
68 – 81	ESL 011
1 – 67	Refer to Adult Education ESL (see section VI)

- D. International students with a TOEFL score below 500 must complete at least one level 3 course in the BCTC ESL program before they can enroll in any course without an ESL prefix. If a student has completed at least one level 3 course in the BCTC ESL program, and has the approval of the ESL coordinator, the student may petition a program/area coordinator for permission to enroll in a course without an ESL prefix and for which the student meets the mandatory placement requirements.

VI. High School Students

Individual high school students may enroll in BCTC courses according to the same standards as college students. Exceptions may be granted in situations of collaborative dual credit or articulation agreements that contain alternative assessment and placement procedures.

VII. Adult Education

BCTC Adult Education, located at Leestown campus, has created non-credit foundation skills courses for students referred to Adult Education Services based on their COMPASS scores. These courses are being offered free of charge to students and can be taken prior to or concurrent with enrollment in a transitional course provided the student meets the prerequisites for the transitional course. Students should call (859)246-6611 to schedule an enrollment session. Students are strongly recommended to enroll in the Foundation Skills courses based on the following COMPASS scores:

COMPASS Domain	Scores	Foundation Skills Course
MATH (Pre-Algebra)	1 – 23	MT 010
ENGLISH	1 – 25	ENEN 010
READING	1 – 48	RD 010

VIII. Appeals Process

Students who wish to appeal their placement may do any of the following:

- A. Retake the COMPASS exam for a fee (effective July 1, 2006). Exception: Fee waivers for a retake of the COMPASS exam are given to students who verify completion of Adult Education Remediation.
- B. Complete an exam or assignment, approved and administered by the appropriate area (Math, English, Reading, or ESL). If the exam or assignment demonstrates the competencies required for the course appealed, the student will be able to by-pass that course. Results will be provided to both the student and the Advising and Assessment Center as to appropriate placement.

IX. Advising

- A. All entering general education and technical program freshmen will be advised by faculty or staff advisors.
- B. Students in transitional reading or lower level transitional writing classes, including ESL, shall be limited to enrollment in BCTC content classes chosen from a select list of classes (refer to course list in Appendix A) until they complete their transitional coursework. Students who enroll in courses for which they are not eligible are subject to removal.

- C. It is the advisors' and the students' responsibility to be knowledgeable about the course restrictions placed on students in transitional reading, lower level transitional writing or transitional math classes.
- D. Kentucky Administrative Regulation 13 KAR 2:020 states that a student must enroll in the appropriate transitional course(s) in the first two terms that a student is enrolled at the institution. In support of BCTC's QEP (Quality Enhancement Plan), should a student place into a transitional reading course, the student is required to register for that course during their first semester. Should the course not be offered at an appropriate time or not be available, the student may have the next term to complete the reading placement course.
- E. It is strongly recommended that GED recipients and students in need of transitional courses in more than one area, take GEN 102 during the first semester they are enrolled in which they meet the pre-requisite skills for the course.

X. Assessment

- A. Students successfully completing a transitional course (Math, English, Reading, or ESL) will proceed to the next course in the appropriate area sequence in the next semester enrolled.
- B. Effectiveness of developmental activities and review of cut-off scores will be evaluated at regular intervals.

XI. Approval Process

- A. The Mandatory Placement (MP) Committee, on an annual basis, forwards the BCTC Mandatory Placement Plan to the BCTC Academic Standards and Admissions (ASA) Committee with recommended revisions:
 - 1. Ensuring compliance between the BCTC Mandatory Placement Plan and the KCTCS Administrative Policies and Procedures Section 4.13 as well as the Council on Postsecondary Education,
 - 2. Reflecting any course changes, program changes or school policy changes, and
 - 3. Addressing new issues to best meet the students' academic needs.
- B. The Academic Standards and Admissions (ASA) Committee makes recommendations to the Faculty Council concerning the BCTC Mandatory Placement Plan.
- C. The Faculty Council, acting on behalf of the faculty, will vote for approval concerning the BCTC Mandatory Placement Plan.
