

Class Scheduling Process Summer 2016

1. Using recommendations from the Course Analysis Team and following the established timeline and resources, Coordinators and Assistant Deans will create the Summer2016 Class Schedule.
2. This draft will be submitted by the Assistant Dean to the Course Analysis Team using the Excel file supplied by the Course Analysis Team. **Within this file, the following highlights are used: yellow "0" section caps indicating an escrowed section.**
3. Coordinators may add escrow sections (Cap = 0) as they think are needed.
4. Coordinators may add open sections, delete open sections, delete escrow sections, and change times of sections (day to evening/evening to day) with approval of the Assistant Dean and Dean.
5. The default face-to-face mode is "BP," and the default online mode is "BW." Coordinators may change face-to-face modes to "HB" (hybrid) and online modes to "BL" (local online).
6. When determining specific days/times of courses, Coordinators are to create a balanced schedule meeting the anticipated needs of students.
7.
 - a. For the first draft, Coordinators are to schedule classes only in rooms assigned to their division on the Master Room Grid and are to work with Coordinators in their division to avoid room conflicts.
 - b. After the first draft due date, Assistant Deans may seek out available classrooms from other Assistant Deans.

Note

- Lexington face-to-face classes will be held on the Newtown Campus unless not reasonable.
- Evening classes will not be offered except possibly for science classes on the Lawrenceburg Campus.
