Re: Curricular equivalencies

Dear Dean Mohney, Director Biagi,

The School of Architecture curriculum committee has met, reviewed, discussed and formulated the following recommendations regarding curricular equivalencies with the Bluegrass Community and Technical College, Architectural Technology Program.

The following are courses that are offered in the Architectural Technology program at BCTC that the committee has deemed to be equivalent to courses in the Bachelor of Arts in Architecture, four plus two program in the School of Architecture at the University of Kentucky.

<table>
<thead>
<tr>
<th>BCTC courses</th>
<th>UK courses</th>
</tr>

An Equal Opportunity University
BCTC courses

ACH 120-Theory and History of Architecture I
ACH 170-Theory and History of Architecture II

UK courses

ARC 111- Theory and History of (3cr.) Architecture

The Curriculum Committee recommends that the above mentioned course equivalencies be reviewed on the School of Architecture’s accreditation cycle to assess and address curricular and or syllabus changes. We will request the Bluegrass Community and Technical College to provide necessary documents for the accreditation process.
