Each student will work with one native speaker during these one-to-one sessions. Every 50 minutes, students will be assigned to a different native speaker to gain maximum exposure to different accents, language varieties and topics for discussion. Pairs of student/native speaker can sit and talk or walk as small groups (6 people) to nearby destinations. Suggested destinations will be marked on a map but might include the Library downtown, Street art locations (e.g. Abraham

Lincoln painting), Farmers Market, Carnegie Center, Gratz Park, Triangle Park, Rupp Arena, etc.

First One-to-One Session: (8:30- 9:20AM)

Second One-to-One Session: (9:30-10:20AM)

Third One-to-One Session: (10:30- 11:20AM)

Fourth One-to-One Session: (11:30-12:20PM)

Lunch (**12:30 - 1:30PM)**

Two Spanish Speakers and two students are seated at each table. Even your mealtime is a valuable moment to continue listening and speaking while enjoying the food. Food will be catered from a local restaurant.

After Lunch/Despues de la comida!

After lunch students choose A or B:

Option A: Telephone conversations (1:40PM - 2:30PM) Students practice day-to-day, real life communication situations over the phone. Whether you need to negotiate a contract or make travel arrangements you can practice this dynamic through a telephone session. Example scenarios are provided to help students negotiate:

1. Making an appointment
2. Applying for a job
3. Finding an apartment
4. Booking a hotel room
5. Finding an address
6. Booking a Taxi
7. My wallet is lost… what do I do?

Option B: Debate (Tertulia) (1:40PM - 2:30PM) Two Spanish-speakers and two students debate a variety of topics. Discussion introduces new ideas, new vocabulary and a need to make or defend an argument or point of view. Example questions for discussion:

1. If you won a million dollars what would you do?
2. Who is the most important person alive, why?
3. What's the greatest invention ever?

Presentation preparation (2:40- 3:30PM)

Students will present a monologue (e.g biography about themselves or their career plans); or a theater presentation such as a mini dialogue. They will work with a native speaker to help prepare a 2 to 5 minute presentation.

Presentation Hour 3:40PM- 4:50PM

In order to facilitate learning and overcome barriers, enjoying the experience is fundamental. The last hours of the program, Spanish Boot Camp, participants meet together for an hour to laugh and learn through presentations, performances, sketches, and more.
