

Applying to a selective admission program

Surgical Technology Program

BLUEGRASS
COMMUNITY
& TECHNICAL COLLEGE

Overview of applying for a selective admission program

- Apply for general admission to BCTC
- Attend the pre-admission conference for your desired program
- Create a Selective Admission System (SAS) account
- Print the program checklist from the SAS account
- Submit your complete packet by the program deadline
- Wait until your acceptance decision is updated in SAS

Applying for general admission

- ***General admission and selective admission are completely separate processes***
- If you are not a current BCTC student, or will not be continuously enrolled for all semesters before your desired program begins, you will need to submit a new application.
- If you are a current student with another KCTCS school you will need to submit a home campus change from your student self-service.

Attend a Pre-Admission Conference

- The pre-admission conference is an annual requirement
- You must turn in the pre-admission conference form as a part of your complete packet
- If you intend to apply for more than one selective admission program, you must attend a conference for each program
 - ***Note: You are only permitted to apply to a maximum of two selective admission programs per admission year***

Selective Admission System account

- Create your SAS account at:
<https://legacy.bluegrass.kctcs.edu/forms/sas/login.php>
- Use an email address that you check frequently. We highly suggest using your KCTCS email address.
- ***PLEASE NOTE*** Do not create a new account if you have already created one. Creation of a duplicate account can cause you to not receive notifications.

SAS Account Cont.

- All information regarding your admission to the program will be communicated through SAS. You can find out the following:
 - Required Documents (Program Checklist)
 - File status
 - Acceptance/Alternate status
 - Information for incoming students
- Keep all personal information updated in SAS to ensure that you receive correspondence regarding your file
- Ensure that the automated emails do not go to your “junk” or “spam”

Print the program checklist

Program Information & Interests

Take a look at the program checklists for each program below. Express your interests in a program by clicking on the checkbox next to each name. ***This does not solidify your application in the program.*** This information will be stored in your account and may be used by the program coordinator to gauge interest in their program for a specific application year. You may add and remove yourself at anytime.

Review Acceptance

Congratulations! I am pleased to inform you of your acceptance to the **Dental Hygiene** program. This demonstrates an outstanding level of achievement for which you are to be commended.

Step 1 - Read Acceptance Documentation

Go to [Dental Hygiene Program Information](#) to review documentation for Dental Hygiene program.

Step 2 - Confirmation

Please check one of the following options:

ACCEPT: I definitely plan to enroll in the Dental Hygiene Program at Bluegrass Community and Technical College beginning in the fall semester of 2015.

DECLINE: I DO NOT plan to enter the Dental Hygiene Program at Bluegrass Community and Technical College.

You must submit this form by September 26, 2014. Failure to do so will result in forfeiture of your spot in the program. You must also meet all technical standards and background checks as required. You will receive an email confirmation of successful completion of this form. That email will provide you with an acceptance letter and additional program information.

VERY IMPORTANT: If you choose to enroll at another college, or do not plan to enroll in the program, please decline this spot through your SAS Account as soon as possible so that another alternate can be contacted. It is vital that we fill all positions in the class and, just as you, other students are very anxious to begin making their plans.

I understand that it is my responsibility to complete BIO 137 and BIO 139, or the equivalent course(s), with a grade of "C" or better, before I am eligible to enroll in the Dental Hygiene Program. I further understand that failure to complete these prerequisites for admission by the first day of class will result in automatic cancellation of my position in the program. I also understand that I must provide my own transportation to all off campus clinical sites.

Submit

- **Read all information thoroughly**
- Follow the instructions listed to either accept or deny your position
- If you deny your position, that decision is permanent
- If you accept your position, you may visit the same screen to deny the position

Review Acceptance

Congratulations! I am pleased to inform you that you have been selected as an alternate to the fall 2015 Dental Hygiene program. This demonstrates an outstanding level of achievement for which you are to be commended.

Step 1 - Read Acceptance Documentation

Go to [Dental Hygiene Program Information](#) to review documentation for the Dental Hygiene program.

Step 2 - Confirmation

Please check one of the following options:

ACCEPT: wish to remain on the alternate list in the Dental Hygiene Program at Bluegrass Community and Technical College beginning in the fall semester of 2015.

DECLINE: I DO NOT wish to remain on the alternate list in Dental Hygiene Program at Bluegrass Community and Technical College.

You must submit this form by September 26, 2014. Failure to do so will result in forfeiture of your alternate spot in the program. You must also meet all technical standards and background checks as required. You will receive an email confirmation of successful completion of this form. That email will provide you with an acceptance letter and additional program information.

VERY IMPORTANT: If you choose to enroll at another college, or do not plan to remain an alternate, please decline this spot through your SAS Account as soon as possible so that another alternate can be contacted. It is vital that we fill all positions in the class and, just as you, other students are very anxious to begin making their plans.

I understand that it is my responsibility to complete BIO 137 and BIO 139, or the equivalent course(s), with a grade of "C" or better, before I am eligible to enroll in the Dental Hygiene Program. I further understand that failure to complete these prerequisites for admission by the first day of class will result in automatic cancellation of my position on the alternate list. I also understand that I must provide my own transportation to all off campus clinical sites.

- If you are offered an alternate position, you will need to accept or deny your position
- If an alternate position becomes available, you will receive an automated email. Log back into your SAS account to accept the position in the program
- Please do not email Admissions to ask about alternate standing. If your position becomes available, your SAS account will be updated
- Alternate positions may be filled through the first week of class

Frequently Asked Questions

- I was not admitted to the program, can I pick up my packet?
 - Selective admissions packets are only maintained through October 1st of the application year. If you were not accepted, you may visit OB 119 and pick up your packet with a photo ID before this date.
- What is my alternate number now?
 - Your alternate number never changes. If your alternate position becomes available, you will receive an email to check your SAS account.
- Is my packet received and/or complete?
 - It can take a minimum of 10 business days for your account to be updated once your packet is turned in. If you mail it or turn it in to extended campus, this may increase processing time. Once your packet is processed, you will receive an automated email to check your SAS. You may login to see if your file is complete or incomplete.

Frequently Asked Questions

- I cannot register for my classes because my program isn't updated. Why?
 - If you were admitted to the program, but have not completed your general admission, your program/major cannot be updated. You will not be able to register until you are admitted to BCTC & your major is updated.
- I am admitted, now what?
 - If you were accepted to the program, ensure that you accept your position through SAS. The program coordinator will contact you concerning information about required paperwork, orientations, etc.
- Is _____ (fill in the blank) required for selective admission?
 - The only documents that are required to apply to a selective admission program are the items listed on the checklist. Without all documents, your application will be incomplete.

Frequently Asked Questions

- I already turned in all my documents to BCTC Admission Office. Why do I need to turn in a new set of official documents for Selective Admission?
 - BCTC General Admission & Selective Admission do not share files. Your program will use these transcripts to evaluate pre-requisites, and calculate your cumulative GPA.
- What are my chances of getting into the program?
 - There is no way for us to estimate your odds of getting into the program. Each year, the caliber of applicant pool changes. Reference your program's ranking criteria to see how you may rank, if available.
- What is the minimum GPA to apply?
 - A cumulative GPA of all completed college coursework of 2.0

Frequently Asked Questions

- How is my GPA calculated?

College	Hours Attempted	Hours Earned	Quality Points	GPA
BCTC	44	36	121	2.750
EKU	10	10	40	4.000
UK	12	0	0	0.000
Med Tech*	100	94	325	3.250
Cumulative	66	46	161	2.439

****Unaccredited institution's transcripts are not required, nor are they used to calculate cumulative GPA***
