Math	510 or higher	460-509
Critical Reading	470 or higher	N/A
English/Writing	430 or higher <i>or</i> Critical Reading of 450 or higher	N/A

* Scores required for students to place into 100 level or above courses (i.e. college-level courses) that count toward degree and graduation requirements

** Scores that require students to retest or complete developmental coursework that *does not* count toward degree and graduation requirements. Students must demonstrate proficiency in developmental coursework before they are eligible to enroll in college-level courses.
