

New Horizons 2011

New Horizons Conference: Call for Art Submissions

The [Bluegrass Community and Technical College](#) in conjunction with the [KCTCS office of Professional Development](#) is excited to be hosting the fifth annual KCTCS Art Exhibit at the upcoming [New Horizons Conference](#) in May. We are looking for artists among faculty and staff throughout the KCTCS system to display pieces in this show. Participants' submitting artwork prior to March 25th will have their names, if accepted, listed in the New Horizons Conference Program. We have streamlined our acceptance process, so notification of acceptance into the exhibit will be sent within a week of your submission.

Submission criteria & submission procedure:

This is a juried exhibit. Images for review may be submitted either by following this link for an [online submission form](#) or by sending a photo of the work being submitted along with your name, the title of the piece, medium and dimensions as an email to billd.snyder@kctcs.edu. You may also send by regular mail to Bill Snyder, Room N115B, 164 Opportunity Way, Lexington KY 40511.

All media will be considered for the exhibition but there are a limited number of spaces available. All visual arts must fit within display and usage guidelines for the space available. Pieces may pose no chemical, electrical, biological, acoustical, radiological, kinetic, thermal, or other hazards.

Late submissions must be received no later than May 1st for jurors to review. Artists with late submissions will be notified if they have been included in the show by May 9th. Note: Late deadline submissions will not be listed in the conference program. We strongly encourage you to submit your work by the program deadline of March 25th.

Insurance coverage & artist's responsibility:

The Bluegrass Arts in Focus Committee will monitor the exhibit during the conference. When submitting, please put an approximate dollar value for each piece. We will insure those pieces that have a value on the submission form but cannot insure those pieces with no value listed.

Please note that because of the nature of the exhibit, we cannot solicit sales and none are allowed during the exhibit. Due to the issues involved in shipping and handling, we ask that either the artist or a representative from his/her college attending the conference deliver the pieces to the exhibition area by 8:30 am on Monday May 16th. Provisions must be made for collecting the pieces between 4:00 and 5:00 pm on Tuesday May 17th.

All pieces should be ready to display*. Every attempt will be made to provide for the display of your artwork. Easels and display tables will be provided. If the dimensions of the work are

beyond our capacity or if there is a need for special display considerations, the artist may need to provide their own display accommodations.

Special Note: Artists wishing to make a presentation about their work, and the techniques involved should indicate this on the submission form.

This is a wonderful opportunity to show your talent to the KCTCS community across the state.

Thank you

The BCTC Arts in Focus, Exhibitions Committee.

* 2 dimensional work should be framed. Canvases should, at a minimum, be on stretchers. No matted only pieces.
