Don't have a Major....
Stop by OB 103 to schedule a career counseling appointment!

On behalf of Student Development and Counseling I would like to welcome everyone back to the start of a new semester. I hope that everyone had a good Holiday Season and is rested and refreshed to start anew. For those who may not have been here for the fall, welcome to BCTC! We at Student Development and Counseling strive to enhance your educational experience as much as possible. **News Flash:** We will have an adjunct counselor stationed at Leestown this semester. Ms. Deborah Mapp-Embry will be Building C, Room 102 from 10:30am - 1:00pm, Wednesdays and Thursdays. Over the course of the semester we hope to offer a SDC 100: College Survival class, offer a variety of workshops, and be available for counseling issues that may arise. Last but not least, we hope to begin to lay the groundwork for a fulltime counselor to be stationed on the campus.

So here's to a great Spring 2007 semester!
