As a BCTC student, why would you want to live at Greg Page?

UK and BCTC administrators are working together to create an academically and socially supportive environment at Greg Page for the BCTC student. Plus, Greg Page is close to your academic core so you can walk to and from campus or study sessions. And, you can still have a car at Greg Page.

Will I need a Dining Plan?

No, Greg Page has a full kitchen in each apartment. But if you choose to have a meal plan, UK Dining Services has lots of options for students including a commuter plan. Visit their Web site at www.uky.edu/DiningServices to learn more.

Will I have my own room?

Maybe! Greg Page is set-up so four students can share a two bedroom apartment or two students may share a two bedroom apartment. So it's up to you, if you want more privacy, it's yours to acquire, but if you'd prefer to save money, that option is available to you as well.

How much does it cost and how do I apply?

Go to www.uky.edu/Housing and click on the link for BCTC. You'll learn more about our rate structure and be able to apply on-line, anytime. Don't delay though, we believe this opportunity is going to be very popular.

What if I have a question even after I go on-line about how to apply, etc?

UK Campus Housing has set-up a listserv so you may direct your inquiries there. Your questions will be answered within 48 hours.

Email: ukhousing@lsv.uky.edu
