

BELLARMINE UNIVERSITY

Are there a limited number of credit hours that can be transferred?

No.

How many credit hours must I complete at your institution to earn a bachelor's degree?

126 credit hours are required for a bachelor's degree and 36 have to be taken at Bellarmine.

Is there a foreign language requirement to receive a bachelor's degree?

A foreign language is required for some majors.

Does your institution offer KCTCS or BCTC transfer scholarships?

We offer transfer and need-based scholarships as well as Phi Theta Kappa Scholarships.

How do I apply for other scholarships and financial aid?

You can apply for financial aid by completing the application process to the university and by filling out the FAFSA.

Will your institution honor all of my repeat options from BCTC?

Yes.

Will my GPA from BCTC be averaged with my new GPA at Bellarmine?

Yes.

How do I apply for admission?

You can apply online at www.bellarmino.edu, submit the \$25 application fee, and official transcripts from every college or university attended.

How can I contact an advisor in my major?

Contact David Kline, Transfer Admission Counselor, for advising of all majors at 502-272-8209 or dkline@bellarmine.edu.

What else should I know if I want to transfer to your school?

You want to go through the entire admission process and receive your comprehensive financial aid package before making a decision as to whether or not to attend.

Academics - Schools

Bellarmino College (the home of the Arts & Sciences):

Home to the liberal arts and sciences programs. It is the heart and soul of a Bellarmine education. Specific majors include the fine and performing arts, humanities, natural sciences and social sciences.

W. Fielding Rubel School of Business:

Offers business students a unique educational experience - a broad based liberal arts education supplemented by top-notch business preparation.

Donna and Allan Lansing School of Nursing & Health Sciences:

Offers an array of health-science programs - nursing, medical laboratory science and respiratory therapy.

Annsey Frazier Thornton School of Education:

Most of the education majors are hired before they graduate and graduates have an astounding pass rate on the Praxis certification tests.

School of Continuing and Professional Studies:

Serves adult learners by providing quality, convenient and affordable educational programs.

School of Communication:

Teaches and researches the functions, roles, impact, and ethical implications of the many forms of media and communication in a democratic society and diverse global community so its students develop the knowledge, skills, professional competencies, and values of communication necessary for successful living, work, leadership, and service to others.
