STATEMENT OF INTENT: You must accept your spot in the SAS account within 2 weeks of notification of your acceptance email. **We will withdraw your acceptance and offer your position in the Nursing class to the next qualified alternate if we you do not accept your spot in your SAS account.**

VERY IMPORTANT: If at any point you decide to enroll at another college, or otherwise find that you do not plan to enroll in the Nursing Program, please notify the Bluegrass Office of Admissions, at 859.246.6212, as soon as possible so that another student can be contacted. It is vital that we are able to fill all positions in the class and, just as you, other students are very anxious to begin making their plans

IMMUNIZATIONS: All students must set up an account with CastleBranch so a background check and immunizations can be processed and reviewed. Please refer to the document posted on the BCTC ADN webpage regarding immunizations for all important details that must be completed by January 9, 2017.

For students that already had a CastleBranch account, you still must update your background check and immunizations via the CastleBranch system.

PROFESSIONAL LIABILITY INSURANCE: All students must purchase professional liability insurance. This is included in your tuition and fees and must be paid each semester.

If you have any questions, please call the Office of Admissions at 859.246.6210 or the Nursing Coordinator, Lise Roemmele, at 859.246.6474.
