Additional Information

Students must complete MAT 065 or 075 or demonstrate an equivalent placement level before enrolling in an ELT class.

General Education courses (math, natural sciences, writing, social and behavioral sciences, oral communications, heritage or humanities) can be taken in any order. It is recommended that math be taken in the first semester if possible.

CIT 105 or CAD 100 can be taken in any semester. BRX 120 or CAD 100 or CAD 103 can be taken in any semester.

Students who take CAD 100 instead of CIT 105 to fulfill the Digital Literacy requirement must take an additional 3 credit hours of Technical Electives instead of BRX 120 or CAD 103.

Technical Electives can be any EET, ELT, IMT, CIT, ISM, CAD, ICT, MFG or other courses approved by the Program Coordinator. EET 270, 271, 276, and 277 are strongly recommended to meet 8 hours of Technical Electives due to the use of Programmable Logic Control in industry.
