Additional Information

The Library Information Technology Track of the Information Management and Design is available completely online.

All of the LIN and LIT courses are designed as stand-alone courses which can be taken in any order. LIT 115 Introduction to Reference Services is the first core requirement in the track and is taken by all students. However, the other LIT courses do not build upon this course, and therefore it does not necessarily have to be taken first in order for students to be successful in the other LIT courses.

LIN 175 Information Literacy is a Social or Behavioral Science course.

**Library Information Track Courses
(must be different from courses taken to fulfill other requirements)**

Course	Cr. Hrs.	Prerequisites	Notes
IMD 210 Microsoft Office Application	3	IMD 100
