

BCTC: Surgical Technology Advising Notes and Selective Admission Worksheet					AAS in Surgical Technology
ID#/Student Name:					
<u>General Education Requirements and Prerequisites for the Associate of Applied Science in Surgical Technology. These courses must be completed with a "C" or better prior to selective admission into the Surgical Technology Program.</u>					
Course or Content Area	Course Completed	Semester Completed	Grade	Points (A=10, B=6, C=2)	Course Options
***BIO 137 A&P I	BIO137				
***BIO 139 A&P II	BIO139				
Mathematics					MT 150 or MAT 110 or higher
Writing	ENG101				ENG 101 or higher
Social Interaction (3hrs)					SOC 101 or PSY 110, plus many others
Heritage/Humanities (3hrs)					HIS 108 or HIS 109 plus many others
***Computer Literacy					CIT105, OST105, IT 100
***Medical Terminology					AHS 115 or MIT 103
***Microbiology					BIO 225 or BIO 226 or BIO 118 (online)
			GPA		Minimum GPA is 2.0 for selection into the program.
			Total	0	Possible Points 54
*CPR: American Heart Association Healthcare provider CPR certificate must be obtained prior to enrolling in the first Surgical Technology course and certification must be kept current throughout the Program.					
*** If a student completes a per-requisite(s) via transfer credits from another college or university that requires a Chemistry course to meet the requirements of BIO 137 and 139, only the anatomy/physiology courses will be used on the selective admission worksheet/scoring criteria. For example: if the transfer work is coming from EKU BIO171 (A)/301(B)/Che105 (C), on the scoring worksheet you would get 10 points for the "A" in BIO171 and 6 points for "B" in BIO301. No points will be awarded for the CHE 105 course, however it we have to be passed with a "C" or better to be accepted.
