The program/area coordinator is the coordinating representative of a specific technical program (program coordinator) or a specific discipline area (area coordinator). The specific responsibilities of the program/area coordinator are determined locally and described in writing in an official job description on file at the college and in the System Office. In all colleges, however, the program/area coordinator is responsible for the day-to-day operations of the program/area and collaboratively with the faculty, division chairperson, and the chief academic officer, chief business officer, chief student services officer, and chief community and economic development officer. The program/area coordinator assists in the planning and effectiveness evaluation, development, and implementation of goals for the specific program/area. The program/area coordinator is a key individual in the program/area institutional effectiveness process.

The program/area coordinator works collaboratively with the division chairperson and program/area faculty with reporting channels to the chief academic officer. The program/area coordinator is evaluated during the regular college performance review period.

**General responsibilities may include:**

**Leadership:**
- To provide leadership in the program/area consistent with the mission of the college.
- To promote an effective teaching and learning environment.
- To promote the use of academic support and academic services fostering student success within the program/area.
- To maintain an active program advisory committee (technical programs only).

**Communication:**
- To encourage effective communication within the program/area, division, and college.

**Faculty:**
- To be responsible, with the faculty and division chairperson, for the recruitment and retention of qualified full-time, part-time and volunteer (when appropriate) faculty, as well as staff (when appropriate) within the program/area.

**Students:**
- To encourage academic processes and procedures that foster student success within the program/area.
- To participate in the student evaluation of instruction within the academic program/area.

**Instruction:**
- To be responsible, with the faculty, division chairperson, and chief academic officer, for the overall maintenance and enhancement of a quality academic program/area.
- To be responsible, with the faculty, for curriculum development, implementation of goals, and evaluation of the academic program/area.
- To be responsible, with the division chairperson, for the preparation of the schedule of classes.
- To actively use evaluation reports for the ongoing program effectiveness review and enhancement.

**Budget:**
- To be responsible, with the division chairperson, for ensuring that budget request and expenditures are related to the goals and operational needs of the program/area.

**Management:**
- To be responsible, with the division chairperson, for the preparation of institutional reports as requested by internal and external sources.
- To promote compliance with the local college and KCTCS policies and procedures.
- To assume other duties and responsibilities as assigned by the president/CEO and chief academic officer.
- To maintain program data and complete program reviews.
